FOREWORD

I am pleased to note that the Directorate of Economics & Statistics (DES) has come out with the twelfth edition of its valuable publication, “Uttarakhand at a Glance (2013-14)”. This is a compilation of key statistics—ranging from general information to the latest data available on various socio-economic indicators, which will be useful for making development plans for different sectors of the economy.

I hope that data incorporated in this publication would be helpful for policy makers, and decision making in authorities to quickly examine the project they may be entertaining in their respective spheres. I request all readers to give us suggestions for the improvement of this publication which will be welcome.

I place on record my appreciation of the officers and staff of the Directorate of Economics and Statistics, Uttarakhand, who have been involved in this publication. Last but not the least, I place on record my appreciation of all departments who cooperated and made this a success.
